Serving children and adults  
with mental retardation

June 21, 2004

Tom King, Supreme Commander  
Virginia Jaycees Corps. of  
Virginia Gentlemen, Ltd.  
1480 Hunting Path Place  
Centreville, VA 20120

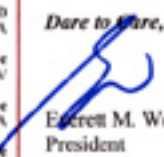

Dear Tom:

We would like to send a special *thank you* to the Virginia Jaycees Corps. of Virginia Gentlemen, Ltd. for your generous gift of \$6,000.00. Your thoughtfulness will allow campers with mental retardation the opportunity to experience camp this summer just like others do every year.

The camping/vacation experience is so important to the special people we serve and their families. It gives the camper the opportunity for a fun-filled time with their special friends at a place built just for them. It is also a much needed break for their families and care givers and it is a wonderful educational opportunity for the young people who serve as our counselors and specialists.

Each summer it is wonderful to see the smiles and the laughter of so many who seldom have the opportunity for such enjoyment. They are here each summer because of *you* - because when we ask for your help you respond. We appreciate so much your commitment to children and adults with mental retardation and the support of the programs at Camp Virginia Jaycee.

*Dare to Care,*

  
Everett M. Werness  
President

  
Cindy Rinker  
Camp Director

*Thanks for all your help over the*  
Please note: This letter serves as your receipt. For IRS reporting purposes no goods or services were provided in consideration of this gift, therefore, the entire gift may be deducted from federal and state taxes. Thank you for *Daring to Care* about children and adults with mental retardation.

*Yes, you have really made a  
difference at Camp Jaycee*
